

**A FUN & EDUCATIONAL EVENT TO INSPIRE
CHILDREN'S INTEREST IN CONSTRUCTION!**

SPONSORSHIP OPPORTUNITIES

SATURDAY | MAY 11 | 2019 | 9AM-4PM

Kids Building Wisconsin is a family favorite, community event that focuses on getting kids interested in exciting construction-industry careers. At our fun, interactive event, kids participate in over 40 hands-on exhibits run by local trades and area businesses.

Some of last year's popular exhibits included:

- North Central States Regional Council of Carpenters hammering contest
- Pierce Engineers structures vs. earthquake shake table station
- Home Depot Kids Building Workshop with custom-kit birdhouses and other wood items
- Painters & Allied Trades painting and activity tent

The positive community feedback and media attention to Kids Building Wisconsin has been outstanding. Your generous sponsorship will help us increase our influence through an even bigger and better event this year. Based upon last year's attendance of 2,500 kids and families, we anticipate 3,000 kids and their families this year. With area skilled trades, contractors, architects, and suppliers already pledging support and participation, now is your chance to take part in this fantastic event.

Kids Building Wisconsin is a 501(c)(3) organization run by a volunteer Board of Directors. Our goal is to broaden our impact to include scholarships and other support to young people interested in getting into the construction industry.

KIDS BUILDING WISCONSIN 2018

"We are so proud to be part of this unique event where all contractors—large and small—come together for one day to promote the trades and inspire future builders in our community. It was truly priceless to watch young budding builders grab mags and trowels to simulate finishing concrete with our crews at our exhibit. The look of awe in the kids' faces that quickly turned into unfiltered excitement as they got to experience construction equipment like semis and bobcats up close was truly contagious!"

Dena Gullickson, Stevens Construction
2018 Kids Building Wisconsin Sponsor

EXHIBITING AT KIDS BUILDING WISCONSIN

What does being an exhibitor entail?

Our goal is to provide interactive, educational, and hands-on exhibits for kids ages 4-12. Although not every exhibit interests every age, we want to have engagement opportunities for everyone at our event. In prior years, exhibitors have included local trades, general contractors, subcontractors, suppliers, architects, engineering firms, and other industry-related groups interested in promoting construction careers.

For additional information about what being an exhibitor includes, see below:

What You Provide:	What We Provide:	Benefits of Exhibiting:
The Activity (We're always happy to help come up with ideas!)	1 - 10x10 Tent	Goodwill in Community
Volunteers to Run Your Station	1 - 8 ft Table	Marketing (See Sponsorship Levels)
Any Materials Required for Your Activity	2 Chairs	Opportunity to Interact with Local Industry Professionals
Prizes, or Other Giveaways, if Desired	Stamps for passbook	Fun Day Celebrating our Industry
	Supplies for Volunteers	
	Lunch for Volunteerst	
	T-shirts for Volunteers (if ordered)	

DREAM NEIGHBORHOOD
presented by Veridian Homes

FIX THE PIPES
presented by 1901, Inc.

SIDEWALK CHALK CITY
presented by TriNorth Builders

TREE HOIST
presented by Conney Safety

Our **APPRENTICE SECTION** will focus on youngsters, ages 4-8, while our **JOURNEYMEN SECTION** will focus on kids ages 8-12. A Majority of our attendees are in the apprentice section but our goal is to achieve just as much success for the Journeymen Section.

We're here to help!
